

Exchange counter IP65

Overview

They are self-extinguishing and resistant to abnormal heat and fire up to 750°C GWT and provide shock resistance IK10 (20 Joules) and IP65 degree of protection. The industrial display PAXI has been designed for harsh industrial environments. The extremely robust casing made from one piece, the high protection class IP65 and high-quality electronics ensure an exceptionally long durability. The optional plug-in cards (interface, analog output, limit values). The Codix 130 is a battery powered simple pulse counter for fast and slow counting pulses with 8 digit LCD display, optional. Robust housing - IP 65 protection Very bright LED display, 8 mm high Simple totalizing and quantity counter - Single-channel counter input and reset input -. The new MISTRAL65H consumer units and switchboards are perfectly suitable for heavy duty environments and outdoor installations as they have been tested and certified for resistance to salt, dust and UV rays. More information! Buy 0490061 - HENGSTLER - Counter, 6 Digit, IP65. Farnell® UK offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support. com Copyright © 2004-2025 Keewin Display Co.
