

Haiti and the Dominican Republic

Overview

Haiti and the Dominican Republic have a perplexing relationship built over many tension-filled years that has resulted in ruthless massacres, repatriations and battles, even though both nations rely on each other for trade, labor and cultural exchanges. Dominican Republic-Haiti relations are the diplomatic relations between the Dominican Republic and the Republic of Haiti. Relations have long been hostile due to substantial ethnic and cultural differences, historic conflicts, territorial disputes, and sharing the island of Hispaniola, part of the. The shared land is between what is now Haiti (an independent country since 1804) and the Dominican Republic (an independent country since 1844). Image by Marvens Compère/The Haitian Times. Steven Aristil/Anadolu Agency via Getty Images Haiti's capital of Port-au-Prince has been under siege for several months, with reports suggesting about 200 gangs have seized control of more than 80% of the city.
