

How much does a laser pointer diode accessory cost

Overview

Here are some general price ranges for laser diodes: Applications: Applications such as laser pointers or simple sensors. Price range: \$1 to \$10 per unit. View inventory, pricing and order now for same day shipping! Laser Diodes | UV | 375 - 400 nm Laser Diodes | VIOLET | 405 - 415 nm Laser Diodes | BLUE | 420 - 488 nm Laser Diodes | GREEN | 510 - 520 nm Laser Diodes | RED | 635 - 655 nm Laser diodes are available at Mouser Electronics from industry leading manufacturers. The wavelength, power, spectral qualities, package type, cavity type and quantity will all have an effect on the price. But the price can also be in the tens of. Check each product page for other buying options. Indicate "Free LED" in the Special Instructions field on your order - supplies limited We accept all major credit cards.
