

KFC distribution box

Overview

Designed for individual or combo meals, KFC's rectangular boxes are commonly used for serving chicken pieces, sandwiches, and side items together. These rigid paperboard containers prevent food from shifting or getting crushed during transit, ensuring meals arrive intact. The company performs various steps in the supply chain process to bring the chicken from the farm to the customer's plate. Durable, waterproof, and fully customizable with logo. Order now!KFC welcomes new Box Feasts as limited-time combo meal deals. They include: - \$7 Box Feast (pictured) - A KFC Snacker (a new name for the Chicken Little, which can now come on a brioche bun, depending on location), five KFC Nuggets, fries. As everyday costs keep rising, KFC is offering more for less with the nationwide launch of its Value Feast lineup, complete meal-in-one boxes at the \$7, \$9 and \$11 price points. Packed with fan-favorite boneless items, here's a closer look at KFC's Box Feasts: \$7 Box Feast includes one KFC Snacker. KFC's latest value play is a new lineup of Box Feasts, starting at \$7. "What we're seeing is that people still expect their meal to feel complete. Wenzhou Quality KFC Type Plug-in Distribution Box (Plug-in Box) Zhejiang Kefang Electric Co.
