

Swiss optical cable head manufacturer

Overview

The SwissOptic AG is based in Switzerland - your long-term and trusted partner along the entire value chain - from concept to volume production. Our Swiss headquarters houses a 13,500 m² facility dedicated to the precision manufacturing of components across various fiber and cable types. At DIAMOND, we identify and compare relevant B2B manufacturers, suppliers and retailers. The company, Diamond SA, specializes in manufacturing high-performance fiber optic interconnects, including the only single-channel fiber optic interconnect qualified by the European Space Agency. Their products are recognized. FiberOptic is a Swiss fibre technology manufacturer, based in Spreitenbach near Zürich. Our 650 employees develop, manufacture, distribute, install and service cables, accessories and system solutions all over the world for energy. With nearly 5,000 employees worldwide, 80 distribution channels and 15 of its own factories, Huber+Suhner is one of the major market leaders in producing fiber optic, coaxial and wire & cable products.
